ARABESCO SILVER LEAF
ICONARASLEA

Contessa Arabesco Silver Leaf tiles are handcrafted decorative tiles with special characteristics which limit their use. These tiles are intended for vertical (wall) applications only and are not recommended for exterior usage, wet applications, or countertops. Tiles are subject to fading if exposed to direct sunlight. This product is pre-sealed. For resealing, use only water-based sealers as chemical-based sealers may permanently damage the finish. If taping off for protection or other purposes, only use "Faux Finish" masking tape. Other adhesive tapes may permanently damage the finish. Never use abrasive cleaning pads or cleaning solutions that contain bleach or ammonia as they may permanently damage the finish. For further questions/information about additional usages, please consult with your installer.
