PERPETUA® QUARTZ

Walker Zanger redefines the standard in elite, premium-quality quartz with the Perpetua® Quartz collection. Part of our engineered surfaces collections, Perpetua® features high-quality composite materials for richness and intricacy that truly distinguishes it from all others. Crafted for lasting durability, and available in a dynamic palette of tones, hues, and complexities, these versatile creations provide the ideal foundation for any living space. Distributed by Walker Zanger, the Perpetua® line is designed to stand alone or to be perfectly matched with other stone accents.
